

Meeting Highlights December 9, 2013

The meeting was called to order by Jim Trimbell, President, between 4 and 4:30 PM.

A bunch of members and guests attended.

Old business

- **Safety issues** – Jim Trimbell told about an incident at FICO in which the LIPO flight battery in his plane failed. Jim and witnesses heard a pop and saw smoke coming from the plane before it crashed. Fortunately, there was no fire in the plane and the rest of the electronics were not damaged.
- **Membership report** – Members who renewed their annual memberships numbered 58 and 3 new members joined the club for 2014. Members were reminded of the upcoming due dates.
- **Nominating committee** – Jerry Verity, speaking for the nominating committee, announced the slate of candidates for the January 2014 election of club officers.
- **Pot Luck Dinner** – Jim Trimbell thanked Sandi and Gary Johnson, and David and Pita Risdon, for organizing and putting on the dinner. David was also thanked for creating the slide show.

Adjournment: As soon as could be done so that everyone could enjoy the dinner.
