

Green Valley RC Flyers Meeting Highlights

December 12, 2011

Holiday Pot Luck Dinner – The dinner started around 4PM. More than 40 club members and guests attended a wonderful dinner in the La Posada Recreation Center. Members brought so many main, side, and desert dishes that there were numerous leftovers. Everyone really enjoyed dining with fellow club members and their friends, spouses, and significant others. We owe big “Thank You”s to Gary and Sandi Johnson, David and Pita Risdon, and Jim and Barbara Bollman for organizing, setting up, decorating, and providing food and drink for this annual event.

Old business:

- **Dues for 2012:** Gary Johnson presented the budget for 2012. Expenses, especially infrastructure repairs, that are planned for next year resulted in the board recommending that we raise the dues for 2012 to \$40. A motion was made and seconded. There was no discussion and the motion passed unanimously.

Dues must be paid before March 1, 2012.

- **Club elections:** Ken Fleshman announced that the current officers will be nominees for the 2012 election. The election will be held during the January 9, 2012 meeting.
