Pot Luck Dinner: Was a terrific success! A special "Thank You" goes out to Gary and Sandi Johnson and David and Pita Risdon for setting up the two buffet tables, the dinner tables, the flower arrangements, and the raffle. Thank you, Jim Knudson, for working with La Posada to arrange the meeting room for our dinner. Also, to all the club members who brought so many delicious main courses, side dishes, and deserts. Dave Risdon put on an entertaining slide show with music and 500+ photos from our web site. Photos of the Pot Luck Dinner guests and eats are in Gallery 1.
